Some Great News!

We no longer need to call the church office to pre-register for our Sunday services and Tuesday night prayer meetings! This means that you will no longer be assigned to group A or B for our Sunday morning gatherings.

When you arrive for those services...

- You can enter through the right or left door of the main entrance. Your choice.
- You will check-in at the registration table to have your NL VaxPass verified. Everyone 12 and older must present proof of vaccination to enter the church complex. You may do a one-time registration of your VaxPass at the registration table or by visiting the church office.
- Physical distancing is still required while entering and exiting the building, in the foyer, washrooms and sanctuary altar, but not while seated or standing near your pew.
- Wearing of masks is still required for the duration of the services unless leading worship or speaking from the pulpit.
- Other COVID-19 protocols such as hand sanitizing and respiratory hygiene are still required.
